CAFOD CLUB

Welcome to CAFOD Club!

CAFOD Club is a fun way for children to make a difference in the world. By taking part, you can put your faith into action, learn about the lives of people around the globe, and help those who need it most.

Through exciting games, activities and projects, you will discover how CAFOD supports communities to have clean water, enough food, good health and opportunities to thrive. Together, we can help build a fairer world where everyone has the chance to flourish.

Being part of CAFOD Club is a great way to support the Catholic life of our school, develop leadership skills, and work with other children to live out the Gospel values and Catholic Social Teaching.

Most importantly, CAFOD Club is about making a difference, having fun, and showing God's love through our actions. Together, we can be the change we want to see in the world! 🌍💚
